Class Descriptions

Intensity Level: 1-High 2-Multi-level 3-Gentle

Lap Swim –Open lane swimming for cardio and muscular workout. (up to 2 lanes open)

Deep Water Aerobics –Fast paced running and aerobic movements to work out total body in deep water. Float belts are used. (2-3)

Aqua Sprint –A great cardiovascular work out for all. This class incorporates warm-up walk, water running (a low impact, aerobic, running workout that tones the muscles of the arms, chest, shoulders, legs and back), then cool down with light stretching at the end. The class is designed to eliminate the risk associated with repetitive impact during outdoor, or dry land, runs. (1) (45 min.)

Gentle Joints: A water exercise class designed for people with arthritis and related conditions (fibromyalgia, etc). This strength and stretching class is designed for exercising with out putting excess strain on joints and muscles, using slow and controlled range of motion exercises. (3) (45 min)
